

Cornerstone Bank's Mobile Banking is fast, simple and the ultimate in convenience.

### Text Banking

You don't need Internet access on your phone to take advantage of Mobile Banking. With text-enabled mobile phones you can:

- View real-time account balances
- View recent transaction history
- Locate the nearest Cornerstone Bank Location or ATM

*Message and data rates may apply.*

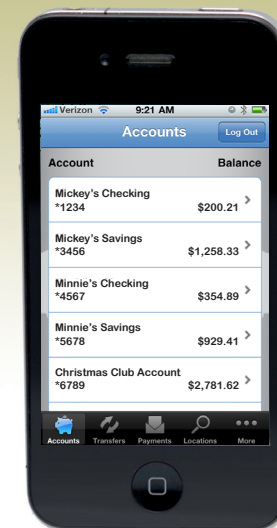

### Mobile Web Banking

It gets even better if you have a phone with Internet access:

- View real-time account balances
- View recent transaction history
- Transfer funds between accounts
- Pay bills from your mobile phone

*Internet access is required. Message and data rates may apply.*

### Smart Phone App

Have a Smart Phone? There's a Mobile Banking App for that, too:

When you sign up for Mobile Banking, a link is provided to download & install the App on your Smart Phone.

With the App installed, you can do everything that mobile browser banking will do - with the familiar ease and functionality of your Smart Phone.

*Smart Phone App is compatible with most smart phones. Message and data rates may apply.*

### eALERTS

Any phone that receives text messages can receive alerts about your account activity. Imagine getting a text message if your account falls below \$100.00. Or receive an alert so you'll know as soon as a deposit has been made, or a check has cleared. Mobile Banking delivers the information you need, when you need it. eAlerts are available to all our online eAlert subscribers. Available for all mobile devices that can send and receive text messages. **To stop these messages, text "STOP" to 96924.**

### MOBILE BILL PAY

Now you can pay your bills from anywhere your phone goes. Just select your payee from the list, enter the amount, payment date and confirm. That's it! You've securely paid your bills right from the palm of your hand. You can also view and modify pending payments. Mobile bill pay is available to all our online bill pay subscribers.

*Internet access is required. Bill pay is not available with our Text Banking option.*

### WHAT IS MOBILE BANKING?

Mobile Banking is the ultimate on-demand service. Now you can access your account information from any mobile phone with either text messaging or with internet access.

Imagine the convenience of viewing your account balances from your mobile device. Or viewing recent transactions. How about transferring funds between accounts, anytime, anywhere?

It also delivers the information you need, when you need it. Such as account alerts that send important text messages to your phone.

You can even pay your bills from anywhere with our new mobile bill pay service, available to our online bill pay customers.

### Safe and Secure

Mobile Banking delivers the highest level of security, thanks to multiple layers of authentication. A personal password and phone activation code helps to ensure your information is fully protected.

### Enroll Now

Mobile Banking is a complimentary service\* for anyone currently enrolled for our Online Banking service. To enroll, log on to CornerstoneConnect.Com, select Options, scroll down to Mobile Banking and complete the form. A text message will be sent to your mobile device with instructions for logging on. It's that easy!

\*Message and data rates may apply.

### WHAT IS ONLINE BANKING?

Cornerstoneconnect.com is our complimentary 24 hour Online Banking service. That means you can do your banking from your computer or any web enabled device anytime, anywhere you choose.

- 24 hour access to checking, savings, loans and CDs, including account balances, check images and history.
- Quickly move money between your accounts 24/7, or set up recurring transfers that take place automatically.
- Multiple layers of security including password protection, Internet firewalls, and 128 bit encryption, help keep your information safe and secure.
- See the images of your cancelled checks and review 24 months of account statements.
- Download statements to most versions of Quicken, Microsoft Money, QuickBooks or Excel.

**Just logon to [www.cornerstoneconnect.com](http://www.cornerstoneconnect.com) and click the First Time Login link to get started.**

### WHAT IS BILL PAY?

Cornerstone Bill Pay is a complimentary service for all Online Banking customers. The Payment Center lets you make payments, view pending payments, recent payments and bill reminders all on the same screen.

- **Fast, secure Person-to-Person payments.** Our personal payment service enables you to send and receive money to those you know, or owe, in as little as one business day -- securely and electronically -- right from Online Bill Pay. All you need is their email

address or mobile phone number!

- **Set up reminders.** Never make a late payment again! When you set up reminders, you'll receive a message telling you when your payment is due.
- **Make recurring payments.** Eliminate the hassle of paying your monthly bills by setting up recurring payments. This is a great option for payments that don't change from month to month - such as your car payment or mortgage.

### WHAT ARE ESTATEMENTS?

Cornerstone eStatements are available to all Online Banking customers. Receive an email when your statement is ready and then view your statement securely through Cornerstone's Online Banking site.

- **Green.** eStatements are good for the environment. They literally save tons of paper. Choosing eStatements is something easy you can do that is Earth-friendly.
- **Fast.** You get your statement sooner, because online delivery eliminates delays sometimes found with postal mail delivery.
- **Secure.** Identity Theft experts actually recommend electronic statements. Why? Because most identity theft occurs through the mail or improperly discarded paper documents containing sensitive information. eStatements simply protect your information better than paper statements.
- **Simple.** eStatements eliminate the clutter of paper statements and allow you to store and retrieve past statements right on your hard drive.

*To enroll simply log into Online Banking, and enroll for eStatements under the options tab.*
