Send and Receive Money with Zelle®

Zelle is a convenient way to send money using your mobile banking app or online banking account.

Whether it's saving you a trip to the ATM or taking out the guesswork of divvying up the lunch tab, Zelle is a fast, safe and easy way to send and request money to people you know and trust.

Funds are sent directly to the recipient's account in a matter of minutes, and all you need is the recipient's email address or U.S. mobile phone number.

To use Zelle you must be 18 and enrolled in Bill Pay. For more information, call our Electronic Banking Department at (402) 363-7408.

Alerts

Alerts is Cornerstone Bank's real-time, transaction alert system.

Get custom alerts about your accounts from your Online or Mobile Banking with Alerts. The system will allow you to enjoy peace of mind wherever you go.

Alerts can help you:

- Monitor account balances and activity
- Get deposit and withdrawal notifications
- Control security alerts
- And much more

How to set up Alerts:

You can activate Alerts in Online Banking or in our Mobile Banking App. Once you are logged in to online banking, click "ALERTS" at the top of the page to activate and customize your alerts. To activate Alerts in our mobile banking app, login and select "More" from the main menu, then tap the new "Alerts" tile. If you have questions, contact our Electronic Banking Department at (402) 363-7408 for assistance.

From 1882 to today, Cornerstone Bank is and always will be a hometown bank. We are family owned and staffed by local people - your friends, your neighbors, your peers. Cornerstone Bank is proud to serve communities throughout Nebraska. It is our mission to be your primary source of financial services, while providing unmatched customer service.
